### Total Supply

1 Billion

Here's Our Vision for the Future:

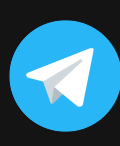

Successful token launch with the formation of a vibrant initial community. DEX listings and website launch to establish our market presence.

Achieve bonding on Raydium to fuel momentum and secure liquidity.

Forge strategic collaborations and expand our network of contributors. Evolve across all departments to unlock advanced token utilities.

Introduce a dynamic ecosystem that evolves with our community's ideas and aspirations. Position \$GRATE as the foundation for future assets and smart contracts, delivering immense long-term rewards.

Monitor \$GRATE on these platforms for real-time data and trading:
